Consequently this certificate does not serve as a guarantee that the income reflected will continue at the same level. Where the entity is a start-up enterprise this EME Certificate is valid only for contracts with a single value of less than or equal to R 5.0 million. Should the contract value being tendered for be higher than R 5.0 million and less than R35 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over R35 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted.
